

Challenge

Write a paragraph on the following:

Which one of all the characters in the book would you want for a friend? Why? What would you do or talk about together?

Example

You could begin your piece of writing like this:

I have been reading Harry Potter and the Chamber of Secrets and I feel that Dobby the house elf would be a great friend to have. He is quite peculiar-looking and sometimes extremely annoying, as we see when he nearly gets Harry and Ron expelled from Hogwarts. However, he is also very loyal. He only wants Harry to be sent home so that he will be safe, and is willing to risk his own life to protect him. He is very hard-working, so if Dobby was my friend, I wouldn't be able to resist asking him to do the occasional job or errand for me.....

...and so on. Try to refer back to the book to give examples of why your chosen character would be an ideal friend.
